

## Dare to Challenge Yourself. Read the Whole Bible in 90 Days. Supercharge Your Faith.

While experiencing a dry season in her Bible reading, international speaker and podcaster Mary DeMuth felt compelled to challenge herself to read the whole Bible in a couple months. A biblical literacy advocate, Mary had read all of Scripture in a year, but this 90-day hyper-challenge took her on an intense journey that brought new joy and understanding into her relationship with God.

Now a comprehensive and doable Bible reading plan, *90-Day Bible Reading Challenge: Read the Whole Bible, Change Your Whole Life* will revitalize readers' faith journeys, prompt them to see the full Bible story in a new light, and allow them to talk about the Bible with greater confidence.

Each day of the challenge includes three Scripture reading segments for morning, noon, and night. Fans of popular Bible plans like The Bible in a Year and The Bible Recap will find this a stimulating, intentional, and achievable way to immerse themselves in God's Word.

**"I thought such a quick read of the Word of God wouldn't change me—much. I was wrong. [...] Without much effort (other than setting aside daily time), I became a better and more joyful student of the Word of God."—Mary DeMuth**

Mary welcomes interviews on topics, such as:

- Supercharge Your Faith with This Bible Challenge
- What Changes When You Read the Bible in 90 Days?
- Bible Literacy—Understanding the Whole Story of Scripture
- An Intentional 3x Per Day Interaction with the Bible

"This is a significant leap, an important investment in the next years of your walk with Jesus," Mary writes. "It's a choice to give your future self an incredible gift—the gift of wisdom and a settled knowledge of the Word of God."

*90-Day Bible Reading Challenge* releases on September 26, 2023.

Starting January 2024, Mary is also running a collaborative, 90-day Bible reading challenge for interested readers. Sign up at [MaryDeMuth.com/Bible](https://MaryDeMuth.com/Bible) or follow along with the hashtag #TheNineties.
